Subject: Hello

Hello Julie and Elisabeth,

I hope y'all are well. I was hoping we could meet or talk sometime in the near future about notification issues. Judge Miller and some of the other first justices are having issues and want me to facilitate some answers. I also want to check in about how Suffolk County is doing.

I'm fairly available in the next two weeks. We could do an in person meeting, or even a conference call.

Thank you so very much,
Christina
